Subject: RE: Notional Schedule: G7 Bologna Advance (update)

FICO officer [Ex. 6 - Personal Privacy] confirmed her availability at 2:00 PM on June 7.

Directions:

Eatalyworld/FICO is at Via Paolo Canali, 1 - As it is still a construction area, when you arrive at the CAAB entrance, it is necessary to enter the toll 8 pointing out that you are a guest of FICO. After the first gate, at the roundabout you have to take the second exit, heading straight to the construction area. There will be another guarded gate. You can ask the guard for instructions on entering the FICO Eataly World offices that are located immediately after the gate on the right.

For **Palazzo Re Enzo**, since you were not lucky with the questura, I asked my G7 Logistics contact to get a POC. I will pass it to you as soon as I get it.

For the **Hotel Savoia**, it is confirmed that hotel is still open to the public for a public medical conference and will be set at the last minute! You will not see the final setup, and the G7 Logistics will arrive on June 8 there! I have asked for a meeting in Rome tomorrow or to get the hotel set-up map (I will let you know).

In this case, I think we can keep the airport off the line advance on the 7th. We'll plan on the schedule below for now.

If there is a chance the Administrator will depart Italy from the Bologna airport, I would strongly encourage the airport be advanced by security personnel, not necessarily the whole advance staff.

Hi [REDACTED]

When I made the inquiry with our Security staff, they said that they were working this out with RSO and would need to get word from them. I follow your logic on Bologna airport, but am not sure if they advance it anyways in case there is emergency and Administrator has no choice but to leave from Bologna.

[REDACTED] Ex. 7(c) we will do whatever you advise.

Hi Folks,

A couple of questions about the advance in light of the latest schedule:

It looks like the Administrator will be departing Bologna by car and leaving through Milan, not the airport in Bologna. Mark, can we take the airport off the advance?

[REDACTED] I see that you have budgeted a sedan and a van for the advance. Will the sedan be coming up from Rome with the advance team?

We need to add Palazzo Re Enzo back to the advance, so we can use the original plan. [REDACTED] we can keep Savoia and FICO as is, but will have to add Palazzo Re Enzo back in at 10:30 AM - 11:45 AM timeslot. If we need to keep the airport, we can add it after the FICO site. Please advise.

08:15: [REDACTED] and [REDACTED] depart Florence

09:30AM: [REDACTED] and [REDACTED] meet Mark/advance team at Bologna station.

09:30 – 10:15 am: Station site survey

10:30PM-11:45PM: Palazzo Re Enzo survey

12:00AM-1PM: Line advance Savoia Hotel survey; [REDACTED] and security crew w/ questura

1-2PM: LUNCH SOMEWHERE NEAR THE HOTEL or FICO

2:00-3:30PM: FICO/CAAB site visit (security and line advance meet at FICO)

4PM: TBD Airport

4:30PM or 6PM (depending on airport): Departures

Also please send us the updated transportation manifest whenever it's available. Mark, I take it that we can still cut vehicles for the 13th?

Regards,

[REDACTED]
